

Strategic workforce planning,  
shaping and commissioning

# Self-assessment questionnaire

Self-assessment questionnaires are designed to help you evaluate your organisation's performance against a set of key standards. They can help you identify areas where you are doing well, and areas where you might need to improve. This questionnaire covers five key areas of strategic workforce planning, shaping and commissioning.

1. Balancing service commissioning, workforce commissioning and finance
2. Leadership and wellbeing culture
3. Prevention, re-ablement and community development
4. Quality, safety and risk enablement
5. Strategic integrated working
